

Title

User Guide for Logging In and Uploading Documents on Sample Application

1. Purpose

This guide helps users log into the Sample application and upload documents successfully.

2. Scope

This guide is intended for all users of the Sample application who need to access their accounts and upload documents through the web interface.

3. Prerequisites

- A valid user account with Sample application
 - Your login email and password
 - Internet access and a web browser
 - Required documents ready for upload
 - Basic knowledge of navigating web pages
-

4. Steps

Step 1 – Log In to Sample Application

1. Open your web browser and go to <https://dev.mirrix.app/login>.

****Screenshot label:**** Sample Application Login Page

2. Enter your password in the password field.

3. Click the highlighted button to proceed.

4. Review the login page that shows: Email, Password, Forgot Password?, Login, or Sign in with Azure options.

****Screenshot label:**** Login Options Screen

5. Click the Login button to sign in.

Step 2 – Navigate to Assets Page

1. After successful login, navigate to <https://dev.mirrix.app/assets>.

****Screenshot label:**** Assets Page

Step 3 – Upload Documents

1. Click the Upload button to start the upload process.

2. Click the OR button to continue.

3. Click the Default option to proceed.

4. Click Documents to select the document upload category.

5. Click the highlighted button to continue.

6. Enter the required information in each input field as prompted (repeat for all fields).

****Screenshot label:**** Document Upload Form with Input Fields

7. After filling in all required information, click Upload to submit your documents.

8. Click the item labeled 142598 to continue (this may refer to a document or ID confirmation).

9. If needed, click Cancel to abort the upload process.

Step 4 – Log Out of Sample Application

1. Click the Logout option to sign out of your account.
2. To log back in, repeat Step 1 by navigating to <https://dev.mirrix.app/login> and entering your password.

5. Troubleshooting

Issue	Possible Cause	Solution
-----	-----	-----
Cannot access login page	Internet connectivity issue	Check your internet connection and retry.
Login button not responding	Browser issue or page not fully loaded	Refresh the page or try a different browser.
Upload button is disabled	Required fields not filled	Complete all mandatory input fields.
Document upload fails	File size/type not supported	Verify file format and size, then retry.
Unable to logout	Session error or page glitch	Close the browser or clear cache and retry.

6. Tips

- Always double-check your entered information before uploading documents.
- Use supported browsers like Chrome, Firefox, or Edge for best compatibility.
- Keep your password secure and do not share it with others.
- If you forget your password, use the “Forgot Password?” link on the login page.

7. Contact Support

If you encounter issues not resolved by this guide, contact Sample application support:

- Visit <https://dev.mirrix.app/support> for FAQs and live chat.
 - Email support@mirrix.app with a detailed description of your problem.
 - Search “Sample application login and upload issues” on the official help center.
-
